

Preschool Program (3 to 4 Years)

Our preschool program is an important, fun, transitional time for your child. At this point, they have a great foundation of the basics, are potty trained, can listen to instructions, and are incredibly curious. This is the class where we begin to introduce a more structured Circle Time, full of new songs, books, calendar, weather and more. They learn about these concepts in an exciting and repetitive way. They will continue to identify letters and numbers, count objects individually, as well dive into the world of phonics. In groups and on their own they will practice pairing sounds and words to the correct letter, work on constructing full sentences,

and they will begin using tracing paper to draw shapes, letters, and numbers. This classroom has more learning and play centers. They have a large play kitchen, bathrooms, tables for group activities, sensory stands, and much more. Our goal at this stage is for your child to have fun while preparing at their own pace to go into Pre-Kindergarten.

We have a part time program which is Tues, Thursday from 9:00 AM to 12:00 PM and a classroom that is open full time, Mon-Fri 6:30 to 6:00 PM with 5 day, 3 day, and 2 day options.

Sample Schedule

6:30 AM to 8:30 AM - Drop off/Free Play
8:30 AM to 9:00 AM - Centers
